TROSS CONSTRUCTION

At Tross Construction Inc., we help homeowners in Montreal and Quebec City build, repair, and improve their properties with confidence. With over 16 years of experience, our licensed and insured team delivers reliable workmanship you can depend on.

KEEP DETAILED RECORDS OF ALL EXPENDITURES

Your home's exterior is the first thing people notice — and it plays a crucial role in protecting your property from Montreal's harsh climate. At Tross Construction, we provide high-quality exterior renovation services designed to enhance your home's appearance, durability, and long-term value.

Whether you're upgrading worn-out siding, repairing exterior structures, or refreshing your home's outdoor aesthetics, our skilled team delivers results that combine strength, beauty, and weather protection.

TROSS CONSTRUCTION

FACADE UPGRADES & SIDING REPLACEMENT

We install durable, weather-resistant siding designed to protect your home from moisture, wind, and temperature changes. Options include:

- Vinyl siding
- Fiber cement siding
- Wood siding
- Aluminum siding
- Composite panels

Each material is installed with precision to ensure long-lasting performance.
